## Enterprise Development - Business Administration Option

Catalog Year 2021-2022

The Business Administration option in the Enterprise Development Degree is a flexible two-year degree in business that includes the most desirable core competencies requested by employers and will provide a degree completion framework that matches student aspirations with the needs of all industry sectors. This option provides a well-rounded degree program, while allowing the student to focus on the knowledge, skills, and attributes needed in their chosen field. The central themes of this degree program offer undergraduates the opportunity to learn and practice core skills for business growth, become organizational leaders, master key technology processes and continuously upgrade those skills throughout their working years.
