GENERAL COLLEGE PREPARATORY REQUIREMENTS

Students may be required to complete transitional courses in English and/or math prior to being admitted into college level courses. Academic placement is determined either by ACT results or placement exams.

PROGRAM OVERVIEW

Murray State College offers a four semesters and one summer session nursing program and a Career Mobility Option nursing program. Graduates of these programs will receive an Associate of Applied Science Degree in Nursing from Murray State College, and will be eligible to take The National Council Licensure Exam. Upon successfully passing this exam you will be a Registered Nurse (RN).

Career Mobility Option

Previous Educational experiences of licensed practical nurses and licensed paramedics are recognized by providing advanced standing credit opportunities
LPN/Paramedics must complete all 35 hours of general education courses in order to complete the nursing program.

*See Website for more information

Applications are due the first Friday in March each year for the upcoming fall semester. Applications can be accessed from our website.
www.msncnursing.com.

See Application Process on the website for more details.

If you have questions regarding the education requirements, please contact the Nursing Program Chair.
