

Murray State College IACUC | 2019 Purpose & Roster | 2020

Institutional Animal Care and Use Committee: 2019-2020

PURPOSE: The purpose of the Murray State College Institutional Animal Use and Care Committee (IACUC) is to oversee all aspects of animal care and use for teaching purposes. The IACUC reviews all animal use protocols, ensures compliance with federal regulations, inspect animal facilities and laboratories.

Responsibilities:

- Review animal use protocols annually.
- Inspects all facilities where animals are housed or utilized at least twice a year.
- Prepare reports of IACUC evaluations and submit the reports to the Vice President of Academic Affairs.
- Review and investigate legitimate concerns involving the care and use of animals.
- Make recommendations regarding any aspect of the animal program, facility or personnel training.

COMPOSITION: Murray State College Veterinary Technology Program Director, Veterinarian, Registered Veterinary Technician, Director of Physical Plant and faculty/staff representative. In addition, one (1) public member independent of the college will represent general community interests in the proper care and use of animals and will be appointed to a two-year term. The faculty/staff and public member can serve no more than 2 consecutive terms.
