

Murray State College IACUC | 2021- Purpose & Roster | 2023

Institutional Animal Care and Use Committee:

PURPOSE: The purpose of the Murray State College Institutional Animal Use and Care Committee (IACUC) is to oversee all aspects of animal care and use for teaching purposes. The IACUC reviews all animal use protocols, ensures compliance with federal regulations, and inspect animal facilities and laboratories.

Responsibilities:

- Review animal use protocols annually.
- Review attachments and policies annually.
- Inspects all facilities where animals are housed or utilized at least twice a year.
- Prepare reports of IACUC evaluations and submit the reports to the Vice President of Academic Affairs.
- Review and investigate legitimate concerns involving the care and use of animals.
- Make recommendations regarding any aspect of the animal program, facility or personnel training.

COMPOSITION: Murray State College Veterinary Nursing Program Director, Veterinarian, Registered Veterinary Technician, MSC Staff member from facilities and two faculty representatives. In addition, one (1) public member independent of the college will represent general community interests in the proper care and use of animals and will be appointed to a two-year term. A member can serve unlimited terms but must be voted on by committee.

REPORTING CHANNEL: President and Vice President for Academic Affairs
