## STATE COLLEGE

### Associate in Applied Science in Business Management - Administrative Accounting Option

Catalog Year 2019-2020

An Associate of Applied Science in Business Management—Accounting Option provides the foundation toward career goals in the Accounting and Bookkeeping fields.

The Occupational Outlook Handbook ([www.bls.gov/ooh](http://www.bls.gov/ooh))\* lists many accounting and bookkeeping careers. Bookkeeping, accounting, and auditing clerks produce financial records for organizations. They record financial transactions, update statements, and check financial records for accuracy.

This is a suggested course sequence only. Students may, with guidance from an Academic Advisor as well as a Faculty Advisor, make changes to their specific course sequence. The student should be aware that changes may result in more than four semesters to complete their desired Associates Degree.

#### GENERAL COLLEGE PREPARATORY REQUIREMENTS

Students may be required to complete transitional courses in English and/or math prior to being admitted into college level courses.

Academic placement is determined either by ACT results or placement exams.
