

Good afternoon!

Starting on Friday April 10, 2020 the Murray State College campus will be completely closed in order to allow for all staff/faculty to Shelter-in-Place in your homes as a result of the COVID - 19 virus. At this time, the return date would be April 20, 2020, which is subject to change depending on the impact of the virus on our communities.

Starting tomorrow, April 7, 2020, non-exempt staff will be off work and returning on April 20, 2020, in order to allow for Shelter-in-Place in your homes. This time off will be charged to Sick Leave until we are notified otherwise by the Governor. Non-exempt staff that may need to continue to perform some work activities at home will earn Volunteer Service Credit while you work from home.

Staff and faculty that need equipment and/or materials from their office must gather such by Thursday, April 9, 2020. For any questions you might have, please contact your supervisor.

Please take all necessary precautions to remain healthy and virus free. We need you all in order to continue the work that we do!
