- Headache
- Fatigue
- Congestion or runny nose
- New loss of taste or smell
- Cough
- Fever at or above 100F
- Chills
- Shortness of breath
- Difficulty breathing *
- Muscle or body aches
- Sore throat
- Nausea
- Vomiting
- Diarrhea
- Persistent chest pain or pressure *
- Sudden confusion or inability to arouse *
- Bluish lips or face *

2) Have you tested positive to COVID-19 and been told to isolate?

3) Have you had exposure to someone with COVID-19 and been advised to quarantine?

If you answer yes to any of the above, you should isolate or quarantine at home, removed from others, *per CDC guidelines*.

- **Complete the MSC Illness Reporting Form at: [MSC Illness Reporting Form](#)**

Someone from MSC will be contacting you before the end of the business day to discuss your health status. They will confirm their identity using established MSC communication methods such as MSC email, etc. Contact your primary care provider for guidance as needed and contact 911 if you have any of the * symptoms above.

If you answer no to all of the above questions, you may proceed to campus. Each day please bring a clean facial covering with you when reporting, as you will need it throughout the day.
