Murray State College and SouthernTech Sign OTA Pathway Agreement

Murray State College and SouthernTech signed an agreement to create a pathway for students from SouthernTech's Medical Assistant program to earn an Associate of Applied Science degree in Occupational Therapy Assistant through Murray State's OTA program.

Murray State and SouthernTech will work together to provide additional occupational therapy education opportunities and increased access to the surrounding communities.

Thank You!

"Thank you to Murray State's OTA Program Director Dr. Jayne Campanini for helping create this partnership. It's always a great day to be an Aggie when you have the opportunity to connect with partners to help grow a program.

Dr. Campanini and her team have developed an online OTA program to provide additional educational options for students.

Thank you to SouthernTech's Superintendent Dr. Eric Ward for your continued partnership and support with Murray State.
