

MURRAY STATE COLLEGE

Associate in Applied Science - Occupational Therapy Assistant

Catalog Year 2020-2021

The Associates in Applied Science degree is a 1+1 model program. Students interested in this program may begin taking general education classes (34 hours of prerequisites) to prepare to enter the second year of the program. Students who are interested in the OTA program must apply to be accepted in the 2nd year of the specialty year of the program.

			TOTAL CREDITS		7

This is a suggested course sequence only. Students may, with guidance from an Academic Advisor as well as a Faculty Advisor, make changes to their specific course sequence. The student should be aware that changes may result in more than four semesters to complete their desired Associates Degree.

General College Preparatory Requirements

Students may be required to complete transitional courses in English and/or Math prior to being admitted into college level courses. Academic placement is determined either by ACT results or placement exams.
