

Associate in Applied Science Degree Veterinary Nursing Program

Catalog Year 2025-2026

2-Year Program With Prerequisites Completed Prior (Online Option Available)

The Program emphasizes “hands-on” training with both large and small animals to prepare graduates to become integral members of the professional Veterinary Health Care Team. The Veterinary Nursing Program is fully accredited by the American Veterinary Medical Association. Graduates of the Veterinary Nursing Program are eligible to sit for State and National Board Examinations to become Registered Veterinary Technicians. Registered Veterinary Technicians perform all facets of veterinary medicine except diagnosis, prescribing medication and performing surgery.

This is a suggested course sequence only. Students may, with guidance from an Academic Advisor as well as a Faculty Advisor, make changes to their specific course sequence. The student should be aware that changes may result in more than seven semesters to complete their desired Associates Degree.

GENERAL COLLEGE PREPARATORY REQUIREMENTS

Students may be required to complete transitional courses in English and/or math prior to being admitted into college level courses.

Academic placement is determined either by ACT results or placement exams.

ELECTIVES		
TITLE	TITLE	TITLE
VN 1111	Veterinary Medical Terminology I	1
VN 1221	Veterinary Medical Terminology II	1
