Please consider the following questions that may impact your eligibility for licensure should you be accepted and complete the PTA program. *These questions are from OK PTA Licensure Application.*

1. Have you ever been arrested or charged or convicted of a felony or misdemeanor?
2. Have you ever been addicted to or abused any drug or chemical substance including alcohol?
3. Have you ever obtained an assessment or been treated for use of any drug or chemical substance including alcohol?
4. Have you ever had any mental, emotional or nervous disorder or condition which could affect, or if untreated could affect, your ability to practice competently?

If you would have to answer yes to any of the above questions, you may be ineligible for license upon graduation. Prior to applying to the PTA program, you should seek clarification from the OSBMLS or, if you desire, you can contact the PTA Program Director for further information. It is the Mission of the program to prepare graduates who are eligible for licensure as a PTA in Oklahoma. Other states may have different rules related to physical therapy practice and your answers to these questions do not prohibit you from applying to the PTA program.
